Focus

Children will become familiar with the nursery and staff. They will begin to understand the routine. They will think what makes them and others happy and how we can be happy in nursery together.	Cooking activities exploring melting and change. Talking about the festivals we celebrate and understanding our friends may be different.	Sorting animals and their habitats matching young and adult animals and their names. Counting and ordering animals through rhymes and songs.	Who to ask for help and how we can help our friends. Beginning to role play together and share resources and ideas.	Planting seeds and predicting what will happen. Measure our plants and begin to compare.	Begin to sequence events and create our own simple stories using props and puppets for support and manage play together.
