

English

As writers we will be focusing on a narrative text 'Superworm' by Julia Donaldson. We will be 'hot seating' the characters and completing a range of narrative work focusing on the characters and re-telling the main events. Children will create a wanted poster.

Computing

As computer technicians we will learn how to be safe when using the internet. To help us improve our keyboard and mouse skills we will use our own login names and passwords. We will use the app 'chatterpix' to create animations.

Art

As artists we will be exploring portraits by a variety of artists. We will explore mixing primary colours to make tints and shades which will enable us to paint a human portrait. We will look at mark making and the use of lines in portraits.

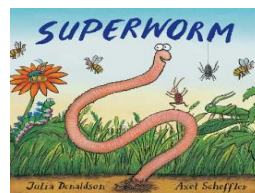

Maths

As mathematicians we will be counting forwards and backwards and recording digits up to 10. We are going to be using concrete resources such as cubes, counters and drawings to represent numbers in more than one way.

Academic Year 2023-2024

Year 1 Term 1

Focus Text: Superworm

P.E.

As athletes we will be developing our gross motor skills by focusing on key movements such as running, jumping, jogging, skipping and hopping. We will also work on teamwork, coordination, balance and agility through team games.

SCIENCE

As scientists we will label basic parts of the human body, including those related to the senses. We will be investigating our amazing senses and learning about how they help us in everyday life.

R.E.

We will be exploring the concept of belonging and living well with family and friends. Children will relate their experiences of home and school life and make comparisons with their friends and those around them.

PSHE

Children will explore relationships and name a variety of different feelings and explain how these might make them behave. Children will think about strategies to help them deal with negative feelings and will know who to go to for help.
